

Global Reliability & Prognostics and Health Management Conference

Original papers are being solicited for presentation at the IEEE Global Reliability & Prognostics and Health Management (2026 GlobalRel & PHM – PHM-Ji'nan)

The 2026 IEEE Global Reliability and PHM Conference will be held in Ji'nan, China, on October 16-18, 2026. PHM is a wide-ranging, interdisciplinary field, that requires an energized exchange of ideas. This conference will call for world-class experts in the academia, industry, and government sectors to create synergistic exchanges of ideas and practices. Special attention has been paid to assure a sociable and professional atmosphere to encourage networking, forge new relationships, and deepen existing ones.

Authors are invited to submit papers of relevance to this IEEE PHM Conference. PHM topics and applications include but are not limited to:
